Good Morning Himanshu Vyas,

Attached please find the WV Rule (47CSR13) edits pertaining to Priorities for Parts 124, 144, and Class 6 wells (so all except for Class 2).

Any expedited feedback on the edits would be greatly appreciated with the tight deadline to get it included in the next legislative session.

Kind Regards,

**Subject:** Update requested

Hello,

Please advise when you foresee providing comments of the draft WV UIC Rule updates submitted to your Agency. We appreciate feedback so we can plan our work, as our time for getting edits done/final agreement with you that our Rule is acceptable, etc., is short.

We very much want to get our proposed rule submitted for the next legislative session and are under direction to get this work done.

Any news is good news in this case, so we look forward to your reply.

Connie
